CONDITIONS (SUMMARY)

- Service-activated: powertrain, roadside and software cover renew to the next interval with every scheduled service at an authorised partner.
- Transferable: all warranties pass to subsequent owners with a documented service history.
- Starts at first registration; whichever limit is reached first applies (time or mileage). Battery: repair or replacement if remaining capacity falls below 75%.
- Excluded: wear parts, damage from improper use, and commercial passenger transport (taxi, rental, driving school).
- Your statutory consumer rights remain unaffected by this warranty.
